

1. K-LOVE serves me and my family as a resident of Humboldt because there is no comparable station available in the area. Other religious stations such as American Family Radio are too political in nature.
2. Therefore, if K-LOVE were displaced by an LPFM broadcaster providing other programming, there would be a definite gap in the kinds of programming available.
3. The service provided by K-LOVE is in the public interest because it is exactly as it presents itself: "positive and encouraging"--something we need a whole lot more of!
